Baseline Custom Fabricating Ltd.
1041 Trulls Road
Courtice, ON L1E 2S9

To Whom It May Concern:

Covanta has used the services and materials of Baseline Custom Fabricating at the Durham York Energy Centre in Courtice, Ontario for the past few years. We have been very impressed not only with the quality of workmanship, but with the reliability and service provided by Baseline Custom Fabricating.

They have consistently gone above and beyond our expectations to deliver materials and complete work, and they have been instrumental in the completion of time-sensitive elements of the construction and operation of the facility.

We are also proud to recommend Baseline Custom Fabricating as a local supplier in Durham Region of the highest quality.

Sincerely,

Jennifer Baron, M.Sc., EP
